A NEW ASPIRANT FOR FAVOR!

A FINE ENGLISH NOVEL.  
One thick Ilio., volume, \$1 50.  
Those who have had the pleasure of reading this Novel  
will attest to its great enthusiasm in terms, and predict for it a  
brilliant run.

A lady of rare culture, whose opinion of a new book has  
great weight, says: "We must always prefer to see before  
us the work of a public teacher, as it has the merit of being  
succinct, pleasantly written, and engrossing. The char-  
acters, being high-bred men and women, are charming compa-  
nions for an hour's solitude, and one puts the book aside  
gratefully, even as one closes the eyes in a delicious sleep."  
At the publisher's, S. Loring, No. 1 Vesey-st., New-York.

House, wholesale it. LOKING, Publisher,

ESSENCE OF LIFE.

This wonder-working agent will restore manhood to the most  
stagnant system, whether arising from excesses, the effects

marry, as its effects are permanent. It is acknowledged by the  
medical press to be the greatest discovery ever made.
